Netnographic research to capture 3,000 mothers' joyfull moments from their online conversations in the USA.

CONCEIVING

A MINERAL WATER FOR (COCA COLA)

[link](#)

Insight from the product concept resonated with French consumers. Concept purchase intentions equivalent to Evian. A budget of 3 million euros was assigned for this 2-year project.

EVALUATING

THE BRAND IMPACT OF DIGITAL (FOR IPSOS)

[link](#)

A one-year pilot project with La Poste enabled us to improve research solution and make it suitable for variety of advertisers. It was launched worldwide.

CREATING

A NEW TRAVEL EXPERIENCE (FOR IDTGV)

[link](#)

The service we created was first implemented in 100 destinations by SNCF. IDTGV gained 8 market share points vs. air travel, satisfaction rate was 89%. Campaign lasted 10 years.

MARKETING

AN ULTRA EFFICIENT LAUNDRY (FOR UNILEVER)

The concept co-created with marketing team "stains listed, stains eliminated" was integrated into packaging and advertising: sales increased by 3%.

ANIMATING

A PARTICIPATIVE EXPERIENCE (FOR NANA)

[link](#)

A 3-month TV + stores + digital campaign encouraged women to express themselves on instagram with no shame about their period. + 50% of participation via digital, + 20% of sales.

TRANSFORMING

A COMMUNICATION GROUP (FOR R9)
